Subject: Insurance Claim 164-0057874

Thom,

I am sending this email as a follow-up to our conversation and CC Shusten Johnson to keep her updated on the claim.

After reviewing with your contractor, we have determined that our scope of damaged items is very similar with the exception of a couple windows. Shusten will plan on inspecting the windows in question to verify if they were damaged by hail or not. Once that has been determined we will make any necessary revisions to our estimate. An updated estimate and supplement payment will be provided to you if additional damages are found.

Thanks,

Brandin Heidbreder MBA, CPCU, SCLA, AIC
